The Tweed Region

KINGSCLIFF

First named in 1915, Kingscliff is the heart of our area and home to our original holiday properties. The kilometres of Marine Parade beachfront are just superb for swimming, surfing, beach walks and hours of wave watching. Enjoy the boardwalk and activity tables at Rowan Robinson park, a recently renovated park named after a local fallen digger. There is no shortage of places to eat and drink in Kingscliff, ranging from casual cafes and cosy coffee spots to high end dining.

SALT VILLAGE

At Salt Village you'll find you will want to park the car and keep it there! With the beachfront, well-renowned resorts, spas, shopping, park and playground, bars and restaurants all at your fingertips you'll want for nothing else. Try everything from the patisserie, to fine seafood or Italian!

CASUARINA

Casuarina is the area's newest community with ongoing development in this beautiful beachfront suburb. Casuarina boasts the high end homes of the area, many with innovative architectural design and certainly complete with a touch of opulence. "The Commons" is the place to go for coffee, dining and local specialty shops.

HASTINGS POINT & POTTSVILLE

Take a step back from the hustle and bustle and relax at Hastings Point and Pottsville. Enjoy the network of waterways for the kids to play in, swim in the creeks and explore the estuaries. If you are after some quiet time in a simpler area, then this the place for you to holiday in or daytrip to.

FINGAL HEAD

Home to Dreamtime Beach, Fingal Head is a place of spiritual significance for the local Bundjalung people. Fingal stretches along the Tweed River, making it a peaceful and picturesque place to picnic, take walks and explore. The lighthouse at Fingal is a local favourite to amble to and bask in the view of the Tweed waterways.

CABARITA BEACH

'Caba' is home to protected wetlands, long-term locals and an array of quirky restaurants to try. Did you know Norries Headland was named the #1 beach in Australia in 2020 by Tourism Australia? Visit to go whale watching, or try your hand at the local skatepark for something more thrilling.

MURWILLUMBAH

The heart of Tweed Caldera, old-time feel with cute shops, markets & the entrance to Mount Warning.
